

As an independent funeral service, we prefer to tailor each client's funeral plan to their specific requirements.

Your funeral can be as simple or elaborate as you wish - our trained funeral directors can arrange an appointment to suit you, to discuss your individual needs. Here, for your interest and consideration, are some examples of the services within the funeral plans we offer, but please remember we can include further options to personalise the plan to fully reflect your requirements.

A simple funeral plan may include:

- Removal of the deceased during office hours only.
- Guidance on the registration of the death.

- The supply of a plain basic coffin suitable for burial or cremation.
- Supply of a hearse to meet the family at the nearest crematorium or cemetery.
